Director's Message

Dr. Vinita Sahay
Director, IIM Bodh Gaya

“

'We strive to transform young ambitious minds into virtuous leaders with a focus on mindfulness, high on intelligence as well as on emotional quotient, and in these trying times, I am sure the values and virtues imbibed in them here at IIM Bodh Gaya will help pave the way to a brighter and better tomorrow'

Dear Recruiters,

Welcome to IIM Bodh Gaya, situated in the land of enlightenment, where knowledge and wisdom rest in the soil, and constant quest for the unknown is the quintessential strive. This year marks our successful completion of 8 years of academic excellence, and amidst these uncertain, volatile, and ambiguous times, our conviction and faith towards becoming the next 'Seat of Learning' in this part of the world drives and motivates us to achieve more. At IIM Bodh Gaya, values like 'Mindfulness' are in the air and "To Be" is prized over "To Do". With such rich values, which are the need of the hour in today's chaotic world, we are very confident in making a very significant contribution in creating a pool of effective leaders. Our mission is to develop meticulously curious minds into leaders of persevering brilliance who seek to move ahead of time, with an ability to manoeuvre firms through the ever-changing business environment. We seek to honour the responsibility of creating socially responsible managers by blending in the old and the new, the traditional and the technological. At Bodh Gaya, we focus on imbibing in our students' timeless virtues like compassion, integrity, sustainability inclusiveness, diversity, and we take pride in being the IIM with a special focus towards mindfulness, towards creating aware leaders and mindful managers. We strive to transform young ambitious minds into virtuous leaders with a focus on mindfulness, high on intelligence as well as emotional quotient, and in these trying times, I am sure the values imbibed in them here at IIM Bodh Gaya will help pave the way to a brighter and better tomorrow.

We have made sure that our students get a mix of both, strong fundamentals and corporate exposure through dedicated sessions with eminent personalities from across diverse sectors. And the academic curriculum is revised from time to time based on the latest trends to ensure that our students are industry-ready. We are constantly trying to adapt to the changing dynamics and embrace the new normal with creativity and innovation in the VUCA times. We understand that for today's organizations, the need of the hour is to have responsible management that is capable of making sensible decisions that result in positive long-term implications for the firm, the industry, and the society. Hence, we focus on enhancing the ethical sense and value systems in our students along with the necessary core business concepts which in turn will lead to the development of effective leadership skills.

Besides the academics, our students also learn from their thriving community. They manage and take part in a number of co-curricular and extracurricular activities which provide them opportunities to grow beyond classrooms. Our methods aim at training young ambitious minds into mature business professionals. We thank our existing Industry Partners for the invaluable support they have extended to us over the past couple of years. We truly value these relationships and would like to nurture them to higher levels I also take this opportunity to reach out to new partners to help us serve them, by offering the pool of talented and inspired young minds whom we have nurtured for them. We wish to have a long-lasting and mutually beneficial relationship with the Industry & corporate world who are our important stakeholders. Kindly treat this as a personal invitation to visit our Campus looking forward to meeting you!

Chairperson's Message

Dr. Sabyasachi Mohapatra

Chairperson,
Career Development Cell
IIM Bodh Gaya

Dear Recruiters,

Welcome to IIM Bodh Gaya! I would first like to thank all the corporates who are recruiting the young talents of our country even in the current difficult times. With great pleasure, I present to you the 8th batch of our budding institute. Our students come from diverse educational backgrounds ranging from engineering to management, to social sciences along with industrial experience in various domains of consulting, sales & marketing, finance etc. This diversity enriches our culture and provides each of our students the opportunities to learn from the differences and be better leaders of the future.

Our dynamic pedagogy, which is a union of conventional classroom learning and practical industrial exposure with active participation in case studies, live projects, and industry interactions, helps and motivates our students to strive for excellence in every sphere. The talk series, competitions etc., not only provide them with the industrial exposure but also instill in them the spirit of collaboration which is an essential trait for any good leader. With this fusion, we ensure that our students are well equipped to handle and thrive in the real corporate world and would be an asset to any organization they are a part of.

We also provide mentorship programs to our students where each of our students is assigned to a faculty, who help track their overall progress and guide them through any difficulty that they may face when it comes to their industry interactions. This ensures that all our students are at par with industry expectations.

Apart from keeping up with the industry requirements in terms of their skills, our students partake in various extracurricular activities, ranging from sports to cultural events, which helps in their overall development. In addition, our initiative to create mindful leaders of the future, takes our students an extra mile and provides them with all the necessary tools to be a value addition to your organization. So, with immense pride, I recommend our students to your esteemed organization and would like to invite you to participate in the recruitment process of this Enlightening IIM. This brochure contains all the necessary information that you may need. We look forward to building a healthy and long-lasting relationship with you and your organization.

Welcome!

About IIM Bodh Gaya

We, the Enlightening IIM, are the 16th member of the IIM fraternity and have touched our 5-year milestone on 31st August 2020. Building on the grand heritage of the IIM brand, IIM Bodh Gaya fosters a culture and curriculum whose sole purpose is to create socially responsible managers and emotionally mature leaders.

Our dynamic curriculum, which is an amalgamation of academics and industrial expertise, provides our students opportunities to master new skills and explore diverse perspectives. Our students not only focus on their classroom learnings, but also actively participate in case studies, talks with industry experts, live projects etc., which prepares them for the rigour of the industry and makes them ready to contribute effectively to your company. Our young institute's thrust for excellence and meaningful research is evident through the accomplishments of our faculty who have publications in ABDC and Scopus listed journals of repute.

In this short span of time, our institute has been able to equip our students with not only strong managerial skills but have also transformed them into mindful business leaders of the future with our pioneering initiative of Samatvam – The Mindfulness Centre.

To equip our students with cross cultural experience which is of the utmost importance in this globalised world, we have established collaborations with several reputed institutions in France, Venezuela, Russia, Mexico, Italy and South Korea, while discussions are underway with many other international universities.

Our student body comes from multidimensional backgrounds and are equipped with skills that are at par with the industrial needs. Our pedagogy and our aspiration for excellence have always motivated our students to excel and it also makes IIM Bodh Gaya a place of budding young talents who will be able to make meaningful contributions to your organization.

Vision

To develop compassionate, socially enterprising, responsible and mindful global business leaders, delivering innovative solutions blended with critical thinking.

Mission

IIMBG believes in building authentic and ethical decision-makers, benefitting the larger interest of all business stakeholders by emphasizing on:

- Enhancing academic excellence, conceptual understanding, and practice through applied research.
- Focus on innovative, experiential learning, analytical skills, adaptability, and strategic thinking.
- Sustainable & compassionate business practices and cross-cultural sensitization.

Core Values

Responsibility: We respect our accords and conform to high quality of work and to the highest ethical standards.

Honesty and Integrity: These are the integral values that everyone here follow towards our jobs, the environment and towards one another and also motivate others to do the same.

Life-long learning: We become the transformational change in each other's lives and we use our diversity as a potential for our growth.

Culture

A Force for Good: We thrive to promote a sustainable existence with the world around us. We thus look to balance financial, societal and ecological concerns.

Diversity: We believe in diversity of thought and innovation and hence we are a team of diverse individuals striving together towards excellence.

Collaboration: Teamwork is an essential part of our culture and we collaborate to innovate and create.

WHY IIM BG

Situated in the land of the Buddha awakening, the Indian Institute of Management Bodh Gaya is the 16th IIM inaugurated by HRD Minister Smt. Smriti Irani. The institute got off the ground officially on 31st August 2015, and since has completed 7 prosperous and successful years. It boasts a tranquil environment that promotes a symphonic existence between Samatva & Vidya. In its very short span of existence, the Enlightening IIM has already garnered a place amongst the top institutes. IIM Bodh Gaya as a mission to inspire new global perspectives in the future of business and management through practical collaborative effort, excellence in research, creativity, and education. Along with an active student run operation, the IIM also takes pride in its structured pedagogy which offers more than classroom simulations, by adding to the mix a vast corporate exposure. The in-class discussions are usually focused to give a real-time industry experience accompanied with in-depth discussion of live cases. The institute understands the need of having an equable mind, and thus pays attention to not only knowledge gaining, but also mind healing. To successfully generate the managers of tomorrow it is vital to have a sound mind together with a healthy body.

IIM BODHGAYA LOGO UNVEILING BY HIS HOLINESS THE 14th DALAILAMA

On a cool 14th January 2020 morning, His Holiness, the 14th Dalai Lama graced the walls of IIM Bodh Gaya. The institute had the opportunity to be blessed and it witnessed a moment of pride and honor as His Holiness granted the college a new identity by unveiling its logo. His Holiness spoke of the crucial role education plays in the mental and spiritual development of an individual. This led to an intricate balance of the same in our creation of the “Enlightening IIM”.

The arrival of His Holiness was a once-in-a-lifetime opportunity and his teachings have been incarnated not only in the students and the audience but also in the rulebook of the institute through the establishment of mental well-being committees and centers. Spirituality, albeit, sounds dated and cliched but is in reality the make or break of success. The methodology followed at the Indian Institute of Management Bodh Gaya has taken this charge upon itself as well. They have inculcated a unique unorthodox approach of elevating the spirit too, along-with the mind and the body. All this is the ripple effect of His Holiness enlightening us of the importance. His simplistic approach and vibrant charisma acted as the torchbearer of ideas the institute needed. IIM Bodh Gaya is not an institute for peripheral development but one which motivates you from the core. A Healthy mind, Positive spirit and the right Knowledge are the foundations of this Enlightening IIM.

SUI GENERIS (THE EDGE)

Samatvam – The Mindfulness Centre

Endeavour to establish a deeper connect with the human psyche to better gauge emotions, control and harness them for pioneering successful business leaders. Focus on the Holistic Development of the students.

International collaborations with 18 institutes spread all over the world

Enabling students to unravel cultures, values and academic milieu of different countries.

Extensive Corporate partnerships

Bridging the industry academia gap.

Equal importance to extracurriculars

Only IIM with a full- fledged sports stadium.

Emphasis on practical learning

Case studies, experts' sessions, live projects, et . Harvard Case Study based pedagogy.

World class Faculty

With numerous publications in ABDC and Scopus listed journals of repute.

7 Successful Years of Inception

A big leap towards achieving greater heights.

THE EDGE FOR SUCCESS

Academic Opportunities at IIM Bodh Gaya for Highest Competence:

Doctoral Programme:

Fellow Programme in Management (PhD)

Integrated Programme:

Integrated Programme in Management (IPM)

The objectives of this five years integrated programme in management (IPM) are:

- To prepare candidates from a foundation level for leadership positions in corporates and government organisations and have a global perspective towards management practice.
- To help the students demonstrate problem-solving skills supported by appropriate analytical, ethical and socially conscious judgement while analyzing business situations.

Post-Graduate Programme:

Post Graduate Programme in Management (MBA)

The objectives of the two-year Postgraduate Programme are:

- To enhance awareness and knowledge about the socio-economic environment both at national and global level.
- Compulsory Summer internships provide an in-depth industry experience and expose students to the real work environment challenges.
- Empowering future leaders everywhere to take action, professionally and personally, so that humans and nature can thrive for generations to come.
- Emphasis is laid on gaining practical experience and critical thinking rather than stressing on bookish knowledge.
- To achieve the aforesaid objective, the course curriculum is designed to use a range of audio-visual.

based teaching methodologies like case studies, real life problem solving exercises, role-play, group discussion and computer simulation based contents.

IIM Bodh Gaya's pedagogy and Course teaching strategies adopted by faculty takes into consideration the theoretical understandings of students and their individual needs. Course Curriculum uses audio-visual based teaching methodologies like case studies and simulations that are carefully chosen from esteemed sources like Harvard Business Publication, Richard-Ivey etc. In addition to the case-method, IIM Bodh Gaya constantly invites Industry experts to share real time perspectives. All this coupled with the strong theoretical knowledge, provides students a Global perspective and an ability to address a wide array of challenges. The subjects taught as part of the compulsory and elective courses in our PGP programme endows our students with a very strong foundation in management education.

A COMPREHENSIVE CURRICULUM

The two-year MBA curriculum has been diligently designed to keep the students in sync with the latest development in the field of management education and is adaptable to the ever-evolving dynamics of the corporate scenario. The curriculum kicks off with compulsory core courses in the first year that are foundational and integrative in nature. It focuses on fostering the cross-functional perspective, knowledge base, awareness, and decision-making capabilities of the students across areas of general management. A summer internship in a reputed organization for a period of 8 weeks facilitates direct industry exposure to the students. The second year provides the students varieties of specialised functional electives to choose from as per their areas of interest and career plans. The objective is to provide an in-depth and comprehensive knowledge in their domain of interest which resonates with the latest industry trends and challenges. The courses and electives are updated every year in synchronisation with the existing batch preferences and the latest and foreseeable business scenarios to achieve a relevant curriculum. An emphasis on case-study based, project driven, and research-oriented curriculum help shape industry ready managers who are equipped to deal with challenges that emerge in various managerial roles.

MASTER OF BUSINESS ADMINISTRATION PROGRAM

The 2-year MBA Program is the flagship program of IIM Bodh Gaya. The objective of the program is to provide a transformative experience for the incoming students, equip them with relevant conceptual knowledge and skill sets to develop socially responsible professional managers of the future. Guided by a stalwart faculty body, the students experience an immersive curriculum focused on laying a solid conceptual foundation framework in various functional areas of management education, fostering analytical, entrepreneurial and decision making skills, staying updated with the latest global business scenario, and finally becoming masters in their chosen domain of interest. Workshops, seminars, guest lectures across various courses are integral to the curriculum and shaping the mind and thought process of the students.

Significant importance is given to the 20+ student driven Clubs and Committees which encompasses every aspect of business management and values. Students actively participate in various live projects, global and national competitions hosted by academia and corporates, industry immersive activities and leadership talks. IIM Bodh Gaya also facilitates global exposure and an extensive international immersion program through its various international university collaborations and global partnerships to amplify academic rigor and cultural sagacity. The MBA program at IIM Bodh Gaya, through its culture and curriculum, aims to produce socially responsible, ethical, and effective leaders who are mindful.

PHASE-WISE JOURNEY OF IIM BODH GAYA MASTERS OF BUSINESS ADMINISTRATION PROGRAMME

LAYING FOUNDATION:

- Focus is to build a strong learning foundation on the basis of facts, concepts, principles and analytical reasoning with an insight into the dynamics of business.
- Subjects taught as a part of the compulsory and elective courses focus to build on synergy with the ever changing industry requirements.

INDUSTRY IMMERSION:

- Compulsory Summer Internship provides an in-depth industry experience and exposes students to the real work environment challenges.
- The grinding during the SIP helps students in preparing for placement offers.

FUTURE LEADERS

- Empowering future leaders everywhere to take action professionally and personally so that humans and the nature can thrive for generations to come.
- The institute fosters a culture to build socially responsible managers with high emotional quotient.

TEACHING PEDAGOGY:

- Pedagogy and related teaching strategies adopted by faculty takes into consideration the theoretical understandings of students and their individual needs.
- Course Curriculum uses audio-visual based teaching techniques like case studies, real-life problem solving exercises, group discussions and business simulation contents.

INNOVATION AND BEST PRACTICES

- Focus is given to apply the acquired knowledge to real world challenges.
- Emphasis is on gaining practical experience and critical thinking rather than stressing on rote learning.
- The institute grooms students to think out of the box and apply their innovative skills in providing the best in class and cost effective solutions.

- Central Banking and Financial Markets
- Business Dynamics & Entrepreneurship

INTERNATIONAL RELATIONS

IIM Bodh Gaya offers to its students a great opportunity to be a part of an Exchange Program for one term at its partner universities across the world. The Institute established collaborations with 18 reputed institutions having multiple international accreditations last year to provide students an even better opportunity to experience and appreciate global scenarios and exposure. Students from affiliate partners also spend a term at IIM Bodh Gaya and are eclectically unified with the dynamic and multi-cultural experience. The Exchange Program provides them with alternative approaches to learning, exposes them to the global economy, develops their cultural sensitivity, helps them test their existing skills and enhance those skills in a global environment. The wide-ranging benefits of the Student Exchange Program add great value to the holistic learning of our future managers.

PARTNER NETWORK

IIM Bodh Gaya acknowledges the significance of exposure to global standards and contemporary trends for enrichment of our students' learning experience. In order to bring international exposure and cultural diversity to the campus, the institute has established collaborations with several reputed institutions in Germany, Taiwan, France, Venezuela, Russia, Mexico, Italy and S. Korea.

STUDENT DRIVEN COMMITTEES

Career Development Cell - CDC

The primary objective of the CDC is to conduct the Summer Placements for the junior batch and Final Placements for the final year students. It serves as the bridge between the industry and the institute, facilitates the presence of industry leaders on the campus and strengthens the corporate relations with the institute.

International Relations Committee

The International Relations Committee aims to create a gateway for international outreach and global exposure through its various international university collaborations and global partnerships with an intent to amplify the academic rigor and cultural sagacity at IIM BG.

IT Committee

The IT Committee works to provide every possible support to IIM BG students and committees in terms of Information Technology & Services (IT&S), ensures proper maintenance of the network infrastructure and 24*7 availability of internet services to students on campus.

Academic Committee

The PGP Committee oversees academic activities and acts as a facilitator between the student body and the faculty members. Prompt resolution of academic related issues, ensuring adherence to the rules and regulation of the PGP Office etc are few of its functions.

Regulatory Committee

The Regulatory Committee serves as the liaison between the student community and the administration. Maintaining the asset of the student body, resolving conflicts, ensuring timely and judicious fulfilment of agendas of all the clubs and committees are a few functions of the Regulatory Committee.

Media and Public Relations Cell

The Media & PR Cell is responsible for maintaining the brand equity of IIM BG and represents the institute across various platforms through regular engagements with all forms of media. It works in tandem with the other committees and covers all activities within the institute.

Cultural Committee

The Cultural Committee strives to celebrate the cultural diversity within the institute by celebrating various festivals and occasions. It promotes cultural and social awareness of values and traditions from all over the country and strives to inculcate cultural sensitivity among the students.

Sports Committee

The Sports Committee is responsible for promoting physical fitness and skills among the students through various recreational and competitive sporting activities and events.

Alumni Relations Committee

The Alumni Committee acts as an intermediary between the institute and the Alumni. It often organizes interactive events with the alumni, publishes newsletters, and primarily strives to maintain a healthy and symbiotic relationship with the institute's existing students and the alumni.

Envision Cell

Envision, Centre for Industrial Relations & Entrepreneurship Development (E-cell) is a nonprofit student organization which aims at manifesting the entrepreneurial spirit of the young students with a vision to promote innovation and good governance.

Hostel and Mess Committee

The Hostel and Mess Committee is an integral part of IIM BG that caters to all students by ensuring homely accommodation with nutritious and wholesome food.

Admission Committee

The Admission Committee helps the administration in facilitating the admission process of the incoming batch, addresses all the issues of prospective and selected candidates and even guides the aspirants through the CAT processes.

CORPORATE EVENTS

Gyanodaya 3.0 - HR CONCLAVE

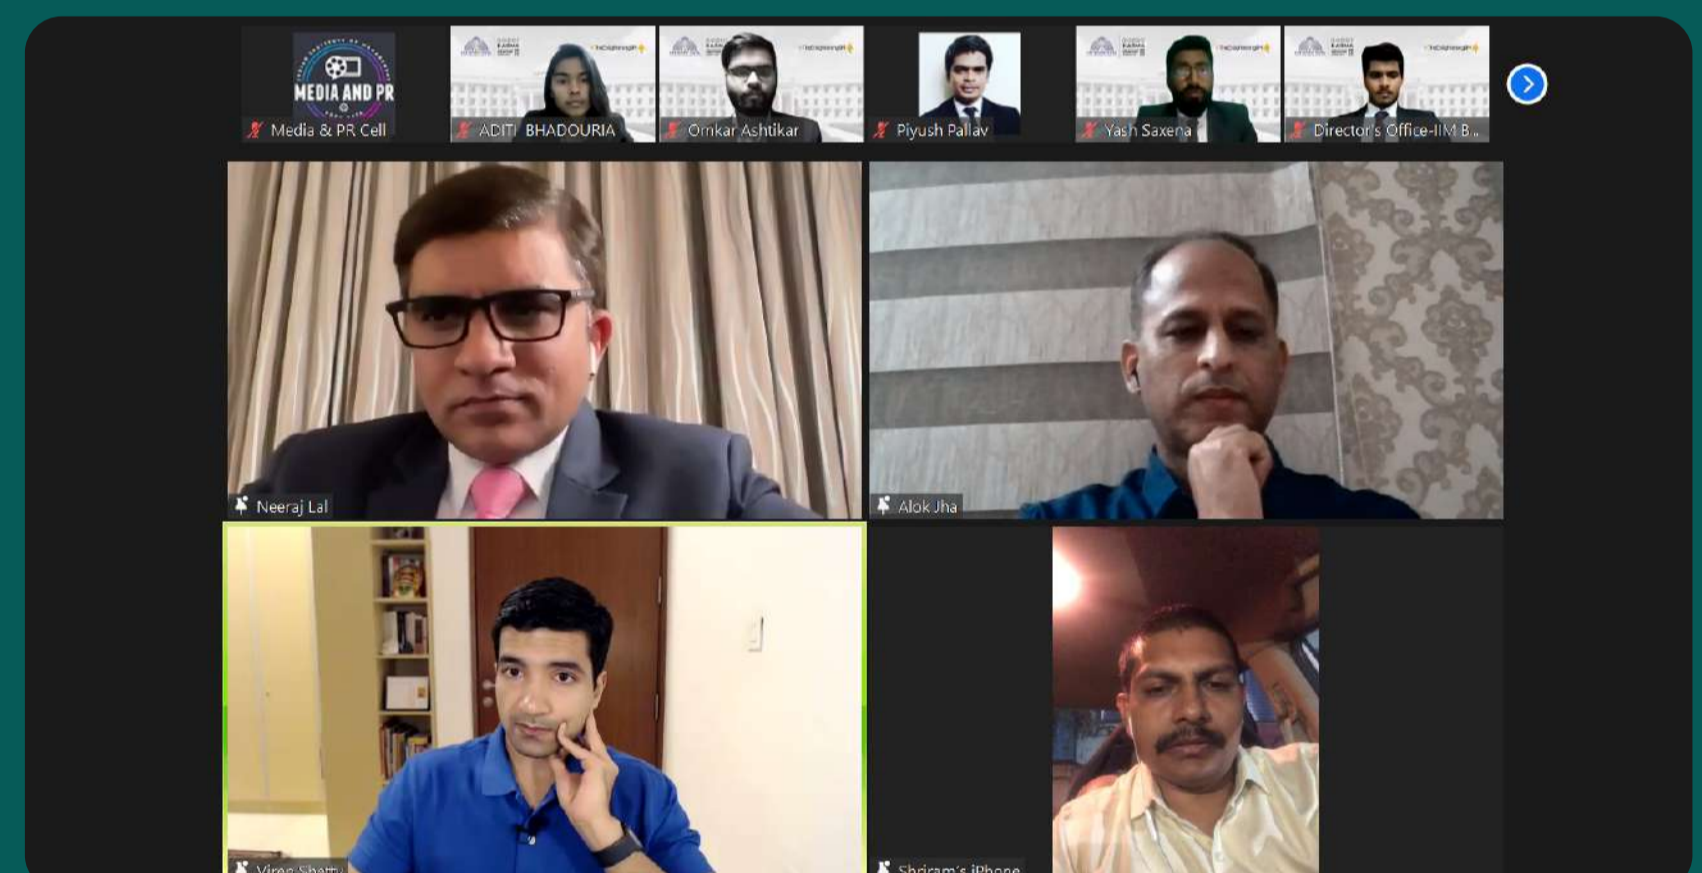

The Indian Institute of Management, Bodh Gaya successfully conducted its annual HR-Conclave 'Gyanodaya 3.0' on 27th November, 2021. The conclave provided a platform for the future leaders to interact with business experts and acquire valuable insights from their experiences and expertise and be ready for the corporate world. The event shed light on the evolution of the HR domain over the period of time. Keeping in view of the pandemic situation, the event was conducted in virtual mode.

The program was inaugurated by Dr. Vinita Sahay, Director, IIM Bodh Gaya. In her address, she reflected on the issues faced by the HR professionals amidst pandemic. She acknowledged the importance of Human Resource Support on campus as well. The event commenced with Dr. Nidhi Mishra, Assistant Professor, IIM Bodh Gaya welcoming the honorary panel for the event. The first panel included Amit Kataria, Global CHRO, Hanu Software; Indrani Ghosh, Country Head, Global Growth IOC; Dr. Prashant P Salgaonkar, CHRO, Shapoorji Pallonji – Engineering and Construction; Sanjeeb Lahiri, CHRO, GRP Ltd. The panelists discussion revolved around "Reshaping Employee Experience towards Great Customer Experience".

Operations and Health-care Conclave

OPSIM-The operations club of IIM Bodh Gaya successfully hosted the first-ever Healthcare Operations Conclave – Bodhi Karma 2022. Due to the COVID pandemic, all industries took a major hit, but the sector that struggled the most and held the most importance, was the healthcare sector. To understand those challenges and steps to be taken to avoid such problems in the future this conclave was conducted. Industry leaders from eminent organizations were invited and enlightened students regarding the same.

Chief Guest for the event was Dr. Rajaram Govindraja who is an engineer, a doctor, and a teacher. He has received his education from renowned institutions across the globe and has extensive work experience in the healthcare sector. His current focus is Govisystem, a company he founded that aims to revolutionize healthcare through AI. He spoke on the topic "Post- Pandemic Challenges in Healthcare Operations Management" and gave helpful insights to students on the topic. Next was the panel discussion, which consisted of highly impressive personalities. As the first panelist, we had Mr. Viren Shetty who is the current COO of Narayana Health, one of the biggest hospital chains in India. All four panelists discussed the topic- "Future of Healthcare- Challenges and Opportunities". They gave insights into the changes the healthcare industry is going under to tackle the problems brought on by the Pandemic. What is the Future of the healthcare industry and as MBA students what skills and knowledge we require if we want to work in the healthcare operations industry.

CORPORATE EVENTS

YES! 2022

Envision, the Centre for Entrepreneurship and Industrial Relations, IIM Bodh Gaya organised the third edition of its flagship event – Youth Entrepreneurship Summit (YES) 2022- A sustainable way, on 5th and 6th March 2022. This venture sought to provide a platform for early-age startups and young entrepreneurs to enrich and prove their mettle even in uncertain times. The event was held under the guidance of Dr. Vinita S Sahay, Director, IIM Bodh Gaya; Dr. Srividya Raghavan, Chairperson, Envision Cell and Dr. Amresh Kumar, BoD, IIMBG INSPIRE. YES'22 responsible.

was inaugurated by the esteemed chief guest Dr. G R Chintala, Chairman, NABARD India along with other NABARD delegates which included Dr. Sunil Kumar, CGM, NABARD Bihar; Dr. Gopakumaran Nair, CGM, NABARD Jharkhand; Shri Mrinal Ranjan, DGM, NABARD Bihar; Shri Uday Kumar, DDM, NABARD Gaya. After the brief welcoming session followed by a virtual campus tour, the chief guest, Dr. G R Chintala, officially launched the website of INSPIRE. IIMBG INSPIRE, the recently established Section 8 company, aims to be a centre of excellence that engenders entrepreneurs and enterprises which generate values for its shareholders, stakeholders, and society by being successful, sustainable, and socially.

IRCM

Under the aegis of Samatvam - The Mindfulness Centre of IIM Bodh Gaya, the Institute organized its first International Research Conference on Mindfulness (IRCM) on 4th and 5th February 2022. It was held under the guidance of Dr. Vinita S. Sahay, Director, IIM Bodh Gaya, and was convened by Dr. Nidhi Mishra and Dr. Teena Bharti. In the preconference session conducted on 3rd February 2022, Ms. Lori Schwanbeck, Mindfulness-based Emotional Intelligence Consultant, conducted a workshop on “Tools to Optimize Workplace

Well-Being followed by Ms. Ruchika Sikri, Founder, Mandala Ventures, who navigated through the topic of “Compassion - A Necessary Skill for Outstanding Leadership”. Further, Ms. Lakshmi Menon Bhatia, Mindfulness Coach led the workshop session on “Emotional Resilience”. The workshop provided an insight to the greater capabilities of mindfulness. On the inaugural day of the conference(4 th February 2022), Dr. Sahay, in her welcome speech, spoke about the value proposition of mindfulness and pointed out the benefits of concentration. It was followed by unveiling of the first edited book titled ‘Transforming Lives through Mindfulness’; edited by Dr. Vinita S. Sahay and the conference convenors Dr. Nidhi Mishra, and Dr. Teena Bharti.

Alumni Speaks

Abhinav Anand - PGP06
Associate Business Analyst, Trinamix

Two Years at IIM Bodh Gaya were very exciting. The most important thing was diverse batch strength which definitely plays an important role in your holistic development. Being a part of the IIM BG family in its growing years gave us the freedom to explore different things through our clubs & committees. The best part was making the 'Bihar- Ek Parichay' video highlighting opportunities in Bihar.

I could say that IIM BG played a major role in shaping me. The atmosphere on campus is very vibrant along with faculties, who are always there to support you. I wish new batches all the very best and together we all will take IIM BG to new heights.

Krish Desai - PGP06
Management Trainee, ICICI Bank

Coming in with two years of work experience, I found the Post Graduate Programme in Management at IIM BG a great platform to accelerate career growth and has molded me in the best way possible. The course has made me feel confident in facing any challenge - be it on the professional or the personal front. The two years with the brightest minds in the country have been most fulfilling and an experience to cherish. Making friends with people from diverse backgrounds & learning about varied perspectives is something I would always treasure.

Nishitha Bangur - PGP06
Senior Analyst, BNY Mellon

IIM Bodhgaya was an astounding experience. Being a Fresher joining Bschoo initially it was hard to catch up the rigorous schedule, coordinating and interacting with multiple folks for team assignments in online mode, and then finally coming to campus. But the learnings that are provided by world-class pedagogy will facilitate us to excel and thrive in our corporate careers. These 2 years have been very instrumental to find my hidden talents and potential and then shaping myself into a transformed person that provides me with a better perspective of the world.

I am forever grateful for everything that the institute has taught me.

Ashish Singh - PGP04
Manager, Plant Operations, Olectra Greentech

The two years at IIM Bodh Gaya are the ones that I still talk about to people and cherish. While the college provided me with rich exposure to academics, what made me the person that I am today, were the sports opportunities it provided me. I feel sports teach us to be a team person, tackle stress, respond to difficult situations, help people, leadership, and the most important trait i.e. treating everyone with respect. I believe all these traits are important to be a successful person in life.

IIM Bodh Gaya taught me to be a good human being and appreciate life more. I hope the institute keeps on growing and achieve laurels.

Alumni Speaks

Pranav Bonde - PGP06
Knowledge Analyst, McKinsey

I still remember the first couple of months at IIM Bodh Gaya. Even though I started from the comfort of my home, the rigor was never less compared to what it would have been at the campus. It helped me learn how to utilize my time effectively. Interactions with faculty, enriching guest lectures from industry experts, and live projects became the stepping stones to learning the art of problem-solving. Intense peer discussions during the case study sessions encouraged me to look at things from different perspectives. Additionally, serving as the Treasurer of the Student Council aided in developing people skills. I am indebted to IIM Bodh Gaya for transforming me from the one who was shy of putting out his thoughts to the one who can now fearlessly face any challenge that life has to throw.

Raghav Singh - PGP06
Management Consultant, TKC Consulting

My experience at the IIM Bodh Gaya has helped me grow so immensely that I confidently interact and work with senior business leaders across the spectrum with ease on a regular basis. This was through the immense confidence and guidance the institute put through its close knit alumni, carefully selected candidate pool, and humble faculty which always looks to contribute to students' learnings.

IIM Bodh Gaya's rigorous curriculum and work hard play harder culture ensures that candidates who give their all to develop themselves and in the process the institute are rewarded with the best versions of themselves in the truest sense. I would advise the upcoming batches to explore the practicality of their learnings in the real world out there to make the most of their time in IIMBG.

Himanshu Singh - PGP04
Associate Consultant, SIM Advisory

My two favorite parts about IIM Bodhgaya were the faculty and my batchmates. The faculty members at IIM Bodhgaya are always supportive, kind, and more importantly, treat students as colleagues. I have become more confident due to such a nurturing and friendly environment. Every single student's intellectual potential can be fully explored owing to the rigorous training and constant mentorship one gets from this college. My batchmates were best critics, and they continue to be so to this day. I consider my time at IIM Bodhgaya as two years of uninterrupted good times.

Shalini Sharma - PGP06
Senior Management Trainee, HCI Technologies

From being an introvert when I started this journey, with the fear of competition, to becoming a confident ambivert walking out of college with good corporate skills, IIM BG changed my life. Being a fresher with no professional experience, IIM BG definitely pushed me out of my comfort zone and allowed me to rub shoulders with competent people from diverse backgrounds. I will always be indebted to this place not only for all the learnings but also for making tons of memories and some great friends.

Alumni Speaks

Akshita Jain - PGP06

Management Trainee - Aditya Birla Fashion and Retail Limited

IIM Bodh Gaya has given me more than just an MBA degree and has made me this individual my friends and family are proud of today.

I remember being skeptical about how we will fare through in these Covid times, but IIM BG managed to give us the MBA rigor even in the online mode. I had a great experience being a part of several clubs and committees and every moment in this college felt like we were building a legacy for the upcoming batches.

I am glad and will be ever thankful to be a part of this institution and will carry my learnings and experiences from here as I embark on my corporate journey.

Anushka Jain - PGP06

Program Manager, Amazon

Like everyone else, I joined IIM Bodh Gaya for the IIM tag. Getting that accolade in my CV was supposed to be just that. I thought I just had to somehow float through these two years for getting closer to my goals. I had no idea that I'd come across such a remarkable and inspiring group of people who have constantly challenged and inspired me along the journey. Prior to joining IIM Bodh Gaya, all of these preconceptions seemed to me to be short-lived and illusory. Despite the fact that I was only on campus for 7 months out of the two years of the course, I gained knowledge and formed memories that will last a lifetime. I shall be always grateful to the enlightening IIM for helping me grow into a better version of myself through my graduation from this institution.

Piyush Pallav - PGP06

Senior Consultant, Cognizant

"Two roads diverged in the woods and I took the one less traveled by and that has made all the difference." Our MBA batch 2020-22 was a part of unprecedented, something uncanny, something unheard of, something new. We overcame challenges, faced a new virtual world, learned, unlearned, relearned, and made transitions between online and offline mode but in the process made memories. Adversity has made us stronger and more resilient. I joined IIM BG after my 4 years of work experience. More than an MBA, I was looking for a transformation in my career and my life. Today, I feel delighted to share that after 2 years of journey at IIM BG, I have evolved into a better version of myself (Piyush 2.0). This enlightening IIM not only imparted me with academic excellence but also transformed me into a leader. As part of a young and dynamic IIM, I got an opportunity to work and create something new. I initiated and led the development of the Incubation Centre at IIM BG. I was a part of several important events and initiatives. I actively participated in classroom discussions, and I participated in and won several academic and non-academic competitions. My focus on all-around development yielded good results. I was conferred with the "Best Student Award" and I will cherish this achievement throughout my lifetime. I was fortunate enough to live in the land of enlightenment, receive lessons from learned and dedicated gurus, and develop friendship bonds that will stay with me forever. I will eternally be thankful to IIM BG and all the people associated with it for being a glorious part of my life.

The Enlightening City – Bodhgaya

The crucible of Buddhism, Bodhgaya was where Prince Siddhartha attained enlightenment beneath a Bodhi tree 2600 years ago and became Buddha (the 'Awakened'). In terms of blessedness, this tiny temple town is to Buddhists what Mecca is to Muslims. Bodh Gaya lies 13 km south of Gaya beside the river Phalg. At the centre of Bodh Gaya stands the elegant Mahabodhi Temple, rising to the lofty height of 55 metres. Inside the temple, a single chamber holds a large gilded image of the Buddha. At the rear of the temple to the west lies the large Bodhi tree beneath which Buddha gained nirvana. In Bodh Gaya, almost every nation with a Buddhist following has its own monasteries—Bhutan, China, Japan, Myanmar, Nepal, Sri Lanka, Cambodia, Thailand, etc. Besides, there are monasteries belonging to the lesser known sects of Indian Buddhism. All these are within an easy walking distance of the Mahabodhi temple. Each temple has its own architectural style. Each offers visitors a unique opportunity to peek into different Buddhist cultures and compare architectural styles. The IndosanNipponji

Temple is an exercise in quiet Japanese understatement compared to the richly presented Bhutanese Monastery nearby, which houses some wonderfully colourful and intricate frescoes. The most impressive of all the modern monasteries is the Tergar Monastery of the Karmapa school of Tibetan Buddhism. It's a glory of Tibetan decorative arts that will leave you slack-jawed as you enter. A none too - distant runner-up is the impressive Thai Temple, brightly coloured, with gold leaf shimmering from its arched rooftop and manicured gardens. The Tibetan Karma Temple, with double-dragon brass door knockers, and Namgyal Monastery, contain large prayer wheels. Monasteries are open sunrise to sunset. Bodh Gaya attracts thousands of pilgrims from around the world every year, who come for prayer, study and meditation. They spend weeks, even months here, practising meditation techniques or enrolling for introductory courses in Buddhist teachings or learning to read Pali, the language of the ancient commoners and of the Buddha.

How to reach ?

 Air: Bodh Gaya has an international airport served by Druk Air, Thai Airways, Air India and Indigo Airlines. Alternatively, one can fly to Patna (110 km away) and take a train, luxury bus, or a taxi to reach Bodh Gaya. Bodhgaya Airport is just 7 kilometres from campus. Bodh Gaya international airport is served by Druk Air, Thai Airways, Air India and Indigo Airlines. Patna International airport is 135 kilometres. Most airlines connect Patna with Mumbai, Delhi, Ranchi, Lucknow and various other cities.

Rail: The nearest railway station Gaya is just 17km from the campus. Gaya is a major Railway junction on the Grand Chord line served by express, superfast and Rajdhani express trains.

Bus: Regular direct bus services are available from Gaya, Patna, Nalanda, Rajgir, Varanasi.

Road: Bodh Gaya is well connected by road to Gaya (17km), Nalanda(101 km), Rajgir (78 km), Patna (135km), Varanasi (252 km), Kolkata(495km)
